

Col. Fielding Lewis Website updated and upgraded.

If you have not been there lately, check out the Col. Fielding Lewis Website at www.rbais.com/cfl-vassar/. Rob Andrews has improved and expanded it to serve you better. The new “Members Area” contains past newsletters, downloadable and viewable SAR and VASSAR Handbooks, and many SAR forms. The “Join the SAR” section of the site features downloadable and viewable SAR information pamphlets of interest to new recruits and all the forms and instructions they would need. The chapter website was recently submitted for the PG Robert B. Vance Website Award, a national level contest for the Best Website by a Chapter or Society.
