National Changes Meeting Name

The time honored and official name for our spring and fall National meetings remains the same, but many state and chapter leaders are hesitate to attend because they are not trustees. Since the total event spans 3.5 days and involves meetings of many committees/bodies other than trustees as well as helpful workshops and social/entertaining banquets, we will start using a new more descriptive name - Spring or Fall Leadership Meeting for Trustees, Committees and Officers.

The short name will be Spring or Fall Leadership Meeting. All SAR members welcome, particularly new state or chapter officers who want to know more about NSSAR.
